

NATIONAL WHIRLIGIG

By RAY TUCKER

WASHINGTON, Feb. 14—Charles de Gaulle's exclusion of Britain from the European Economic Community has caused a stir in the market. Market will have a direct and adverse effect on industrial and agricultural production, employment and economic conditions in the United States unless measures are taken by other members and Washington forces him to retreat from his policy for the European attitude.

In anticipation of the formation of the European economic union at Rome's several years ago, the European Economic Community has branches within the six-member countries, or bought into foreign corporations.

It is estimated the investment amounts to \$1 billion dollars, and including the European Economic Community, the investment ranges from "big three" automobiles to typewriters and even smaller commodities.

Numerous European businessmen, including those from Britain, are against this economic invasion, but American interests obtain too great a control of their major industries. It has been a matter of concern in Canada even before the current dispute over nuclear arms policies.

RICH INDUCEMENTS—The reason for this industrial emigration was the need to seek out a better market for their products.

Other factors include lower wages (one-third to one-half the American scale), and generous tax concessions. Still another advantage was that many European plants, built with American funds, are more modern than similar factories in this country.

All these factors contribute to the paradoxical situation which finds almost every European country in a position to compete with the United States in the market for this year.

Meanwhile, many American firms have preferred to locate in the United Kingdom. In fact, our investment there exceeds the European total, although the European market is larger.

The United Kingdom, invaders fully expected

Britain would become a member of the Common

Market, which would give them access to a purchasing population of 300 million.

That act was also pre-estimated on this assumption until de Gaulle staged

his riot act at Brussels.

MUST LEAP WALL—Unless de Gaulle succeeds, Americans now located in the United Kingdom may find it necessary to build new plants or set up foreign subsidiaries within the Common Market area.

Otherwise, they will not enjoy the tariff and low-wage advantages of their American corporations which have settled within the British Commonwealth in the expectation that they will become integral units of the Common Market.

This new emigration would mean a greater flow of American capital abroad, with its harmful effect on our economy, employment and income in the United States.

There are various estimates as to how many domestic jobs have been lost from the flight of capital.

Administration free traders scoff at this contention and insist that the number is negligible.

In a reaction to de Gaulle's economic blockade,

a congressional committee will undoubtedly try

to ascertain the effect good or bad, of past and prospective industrial migrations.

VIEWS OF OTHERS

ALICE AND THE DEFICIT

"Hatter," said Alice, "can you explain Waller W. Hatter?"

"Certainly," said the Mad Hatter. "Who is he?"

"He is the government economist," said Alice, "who said the other day that our eight billion dollar deficit was a 'deficit of strength.' If it is a deficit, is that not a bigger one?"

"Simple," said the Hatter. "The deficit we have come by mistake. The government has planned a plan to balance the budget. The bigger that the government's plan is, the better it is."

After a long silence, the Hatter was talking again.

He was responsible Canadians, however, recognizing the bad effects of an "anti-U.S." campaign at that time, are cautioning

against the "anti-U.S." movement.

Except it may not be because we have too many now. Guess

was born a couple hundred years too late.

It'll Take Awhile to Get Used to It!

COVERING THE CAPITAL WITH PETER EDSON

WASHINGTON, Feb. 14 (NEA)—

It may quiet down a little later, but right now Uncle Sam is expected to become a major political campaigner.

On April 1, the late Prime Minister William Lyon Mackenzie King effectively ran through Parliament.

After the war, cooperation was carried further with the building of three radar defense lines of anti-submarine patrols surprised

attack across the Arctic.

There has been the closest army, navy and air force cooperation.

Generals and admirals know each other's plans and there are exchanges of personnel running into the hundreds, of all ranks.

If Canada tried to make everything for its own military forces, it couldn't produce in quantity

what it needs, and it's unprepared for a

build-up of war.

It's an unemployment rate that

is likely to move up toward 10 per cent.

The present rate is 8 per cent.

2. An increase in federal income taxes a year.

The government's budget estimate of \$7 billion in taxes next year.

3. A reduction in the gross national product of as much as \$60 billion a year.

The 1962 figure—the value of all goods and services produced in the nation—was \$54 billion.

County Board Eyes Plans For New Aide

BURBANK, Feb. 14.—A full-time protection officer for Minidoka county was appointed by the commissioners in their meetings Monday and Tuesday.

After a meeting with Probate Judge Jake Wall and Roy Wood, the commissioners appointed a county protection officer for the area. The post was withdrawn a few minutes later by the commissioners.

Action was taken on a request by representatives of various organizations to make efforts to secure the services of a contact office for the area.

The post was withdrawn a few minutes later by the commissioners.

More information on the subject will be gathered before any action is taken, the board reports.

A construction plan for the construction of a connecting road between highway 24 and highway 28 on 200 West was considered by the commissioners, but no action plan was made.

The proposed plan would offer an alternate route to traffic from the north. The commissioners voted to postpone the action.

Admitting the merit of the plan, the commissioners will make further study, and later contact the highway department for further information on the proposal.

A tour of the county to inspect prospective zoning of the areas was held Tuesday. Actions by the commissioners were taken by county with Claude Newmann, county assessor.

A group from Heyburn appeared before the commissioners from the Minidoka fire protection district was held with no protest on the proposal.

The request had been made by the fire protection district. They considered the lack of sufficient improvements on the land in question did not merit the inclusion of the area within the district.

A hearing on the withdrawal of certain areas in the northern portion of the county from the Minidoka fire protection district was held with no protest on the proposal.

The request had been made by the fire protection district. They considered the lack of sufficient improvements on the land in question did not merit the inclusion of the area within the district.

In other business, the commission conferred with Mrs. Grace Kline of the welfare department, and the Minidoka fire protection district was held with no protest on the proposal.

The request had been made by the fire protection district. They considered the lack of sufficient improvements on the land in question did not merit the inclusion of the area within the district.

News Around Idaho

BOISE, Feb. 14 (UPI)—Sam Thompson, manager of the Idaho Club, held the eastern Idaho Lincoln day dinner here Wednesday night. The American spirit cannot be denied. "We go to Washington for everything. We have in this country that great American will be president," he said. "We are going to lose that great American. We are building such a patriarchy in Washington that we are losing it."

IDAHO FALLS, Feb. 14.—Brand new facilities at the Jack Rancher Cattle and Livestock company that were burned out in a fire last May 4 and reopened only last week were shattered by an explosion Wednesday morning. The blast ruined nearly all of the new facilities.

The explosion, believed to have been caused by a gas leak, caused extensive damage to the roof of the high structure and buried it through the roof of the lower warehouse building.

ROSEBUD, Feb. 14 (UPI)—The Idaho department of agriculture Wednesday cautioned Gem state housewives against buying meat not priced by weight. It said its weights and measures inspection force found some stores selling meat by piece and not by weight in violation of state regulations.

The department said the practice had been used in some cases to confuse the customer and give a higher price. It urged housewives to compare prices of meat by numerical count against meat sold by the pound.

ROSEBUD, Feb. 14 (UPI)—Idaho treasury balance at the end of the past week was \$27,840,210. Treasury's Majorie R. Doan reported Wednesday. The balance at the beginning of the week was \$21,010,000. The balance of the state's general fund, which includes state and county funds, was \$28,500,785 for the same time a year ago and \$22,631,784 in 1961.

MOUNTAIN HOME, Feb. 14 (UPI)—Preparations of the Mountain Home fire department for a nuclear attack and sabotage were tested Wednesday in a day-long exercise. Air force personnel were called on to counteract the effects of nuclear fallout from two simulated explosions, one about 30 miles from the base and the other ten miles away. Other personnel responded to damage to buildings and utilities and sabotage of utilities and aircraft.

The proposed plan would offer an alternate route to traffic from the north. The proposed plan, bypassing highway 24, by-passing the congested intersection of highway 24 and highway 28 on 200 West was considered by the commissioners, but no action plan was made.

ROSEBUD, Feb. 14 (UPI)—A five-step program for certification of teachers of the socially maladjusted has been recommended by the state education school. Taylor recommended Wednesday that a total of 30 semester hours of combined undergraduate or graduate study in the fields of psychology, sociology and education be required. Prospective teachers will be required to have a minimum of one year's teaching experience in a public, private or institutional school and have completed special courses in psychology.

IDAHO FALLS, Feb. 14 (UPI)—A 12-man jury Wednesday night found Frank Misnerberger, 41, Idaho Falls, guilty of assault with a baseball bat. Ninth District Judge Harry S. Martin will pass sentence Friday. Misnerberger was accused of attempting to kill his wife, 20-year-old Linda, in their apartment, 101 N. 1st St. It was the second time within a year Misnerberger has stood trial for assault with intent to commit murder, and the second time Mack claimed to be the victim.

IDAHO FALLS, Feb. 14 (UPI)—A door-to-door canvass to raise funds for the heart fund is scheduled to begin Sunday in Idaho Falls and continue through next Sunday, Feb. 24. The volunteer residents will be asked to contribute a contribution and return the envelope. Size of gift remains confidential.

IDAHO FALLS, Feb. 14 (UPI)—A 10-year-old Idaho Falls boy Scout received a high award "Tuesday Night" for saving a drowning boy from drowning last summer at Lucky Peak dam reservoir near Boise. Robert Reese, 10, son of Mr. and Mrs. R. G. Reese, received a certificate of merit for meritorious action in saving a drowning boy. The boy, 10, was swimming in a lake near also of Idaho Falls. The incident occurred last July when the two families were at the reservoir and young Kim's air mattress floated into deep water and began to deflate.

POLICE SEIZE a man, routed by tear gas from beneath an automobile, who Wednesday threatened to blow up the Justice department. The man drove his automobile onto the sidewalk in front of the department and said he would blow up the building unless he was permitted to talk to FBI Director J. Edgar Hoover. Police repelled off the area and used tear gas to drive the man into the open. A man who had been with newspaper reporters tried to hit his body. (AP wirephoto)

High Mountains Now Draw High Taxes for Climbers

KATHMANDU, Nepal, Feb. 14—(UPI)—Nepal's tax mountain climbers like other countries tax rope-by-the-foot.

And now the tax is literally going up.

Extravagant treks who used to pay only two thousand Nepali rupees (800) for the thrill of climbing an 18,000-foot peak will now have to bough up \$200 in climbing taxes under revised government regulations.

Even stumpy, little mountain peaks 10,000 feet high cost a thousand rupees from now on. In the good old days you could practice on these molehills for nothing.

Most the only bargain left is Mount Everest, which anyone with courage, stamina and a rich backer, can still climb for only \$1000, plus a few rupees.

The new tax schedule came about because of changing tastes in mountain climbing. Like wise housewives, climbers are now

Bunnies Are Banned From Boston Area

BOSTON, Feb. 14 (UPI)—Bunnies were banned in Boston today.

The Board of Health has issued an order, trademark of Playboy, Inc., which wants to open a restaurant in Park Square.

Her concern is an animal that has been seen in the city, and the Boston licensing board said-left too little to the imagination.

The board member Timothy Gafford made his decision yesterday after viewing a bunny blonde, 19-year-old Geraldine Doherty of Brighton, who now is a waitress at the Playboy club in New York.

Board member Richard Johnson took one fleeting glance at Gafford and said, "I'm not worried."

Johnson sat around in his chair and feed-away-from-the-bunny during a 10-minute presentation he didn't even ask one question.

Playboy officials indicated they would appeal to the state attorney general if the ban is upheld, "in hopes they have a wider view than the Boston people."

Auto Is Hit by Backing Truck

Richard C. Johnson, 16, route 1, was awarded \$111 for failure to yield the right of way to a truck he was backing up when his truck hit a 1958 Dodge driven by George F. Kauer, 30, 703 Third avenue west, at 11:15 p.m. on Jan. 29. Johnson was not injured.

Johnson was backing up, looking across the street when his truck hit a 1958 Dodge driven by George F. Kauer, 30, 703 Third avenue west, at 11:15 p.m. on Jan. 29. Johnson was not injured.

Johnson was backing up, looking across the street when his truck hit a 1958 Dodge driven by George F. Kauer, 30, 703 Third avenue west, at 11:15 p.m. on Jan. 29. Johnson was not injured.

Influenced

MIAMI, Fla., Feb. 13 (AP)—A judge has granted an annulment to a woman who said a night club entertainer forced her to marry him through hypnosis and then took \$19,424 of her money. In granting the annulment, Circuit Judge O. O. Golden, late Peller, 34, was "under hypnotic influence to make a statement which I do not fully comprehend the nature of its significance or her actions." The judge ordered Ronald Peller, who uses the stage name Diane, to repay the amount Mrs. Peller claimed, plus interest, from May 25, 1962.

Teen-O directors, each elected to a two-year term, included Darrell Surber, Mrs. Ted Pence, Loren Burke, Edgar Wright, Jr., Jack Hill, Mrs. Shirley Williams, Mrs. Earl Read and Robert J. Kotakay.

Teen-O officers include: President, Mrs. Walter Benten, Reed Maughan, Mrs. W. E. McCoy and Mrs. Venie Hopkins. The first regular monthly meeting of the board, Teen-O succeeded Harry Wilson, Jr., president; Edgar Wright, Jr., vice president; Mrs. Shirley Williams, treasurer, and Loren Burke, treasurer.

After the "election" a general meeting of participating clubs was held. It was decided to make the use of the Teen-O building for the Buhl Jaycees and Jay-C-Ete public auction to be held March 9. The auction will be held at the Buhl High School. The auction will go to Southern Idaho college, Buhl.

The Teen-O youth board announced a Valentine dance will be held at the hall Thursday.

Founders Day Is Observed At Hagerman

HAGERMAN, Feb. 14—Founders Day was observed at the PTA meeting Monday evening in the school auditorium. Guests, under the direction of Mrs. Marion Pumfrie, PTA president.

Mike Owsley led the flag salute assisted by Tony Zaccaro, who was presented with a flag. The prayer was given by Mrs. James Holt.

A report on the PTA-sponsored mile walk was given by Mrs. Tom Gandy, chairman. The walk was netted for the last show and confetti was thrown at the movie. The next walk will be at 8 p.m. Saturday, Feb. 25, and will be "Mardi Gras" with Jeanne Crain. There also will be two cartoons. Funds received from these movies will go to the PTA—sponsored scholarship.

Committees for selling pop, candy and popcorn for the next meeting are: Mrs. Lloyd Brown and Mr. and Mrs. Tom Gandy; Mrs. Jeanne Crain, Mr. and Mrs. Joseph Zaccaro, Tom and Mrs. Tom Gibson, popcorn.

Lyle Gilman, chairman of the nominating committee, presented the following officers: President—Mrs. Lloyd Brown, first vice president—Mrs. Stanley Hockoren, second vice president—Mrs. Tom Gandy, third vice president—Mrs. James Holt, secretary.

Mrs. Warren Berry, program chairman, introduced Gold Caldwell, who arrived from New York, Washington, D. C. and other eastern cities as the representative of distillers. Gold was elected president of the Old Folks on the United Nations youth pilgrimage.

Seven men of the cake baking association for the cake baking competition were: Al Glanders, Bill Shapp, Roy Strawer, Lyle Gilmore, Marvin Milliken and Don Carlson.

Glenn Funk, Burley, was elected winner of the sportsmanship trophy and Kenny Daniels Gooding, one of the members of the horseback riding club, was elected winner of the horseback riding trophy.

New officers elected at the Sunday morning breakfast are Ron Nielson, president; Gene Funk, first vice president; Bruce Gandy, second vice president; Gandy secretary-treasurer; Bill Shapp, third vice president; Al Glanders, fourth vice president; and Tom Gandy, fifth vice president.

The next meeting will be at 8 p.m. with mothers of refreshments.

Cakes baked by the men were served by Mrs. Lyle Gilmore, Mrs. Roy Strawer, Mrs. Bruce Gandy and Mrs. Pumfrie, fourth grade mothers.

Woman Hurt In 3-Car Crash

BUIHL, Feb. 14—Mrs. Evelyn Hulse, 66, Buhi, was treated by Dr. D. C. Anderson, a local physician, for a cut on the mouth as the result of a three-car accident at 2:30 p.m. Tuesday three and one-fourth miles east of Buhi on Hwy. 14.

The accident occurred when Floyd Correll, 41, Buhi, driving a 1967 Plymouth, stopped for one.

The team lunged on the turn, for the back run in Borenson's race with P. G. Miller, Midway, who was driving. The team was stopped by other race drivers. Borenson was uninjured except for bruises.

On the Sunday results gave Champion Glen Funk a win over Jack Funk; Mickelson over Gary Crystal; Tom Mackley over Shep Hargrave; Bill Anderson over Melvin Dill; Anderson over Gene Funk; Orin Nield over Gates; Peulson over Cotton Riley; Errol Clegg over Al Gandy; and Glen Wicks over Ken Daniels.

Races this weekend will be at Rigo between the Magic Valley and the Magic Valley association. Magic Valley association members will also race at Fairfield. Feb. 23-24 between themselves.

James Bailey Is Declo Club Head

DECLO, Feb. 14—James (Jim) Bailey, 21, Declo, Idaho, was elected vice president and executive secretary-treasurer. J. A. "Hop" McCraw, Ray Anderson and Robert Bailey are the directors.

The outgoing president is Dean Saxon and Jack Jordan is recording secretary-treasurer. Reports were given on the year-end financial report and a "financial report" was given. Plans were made for the annual banquet to be held in the Wal Hi Caf, Declo, Feb. 22.

No one else was injured and damage was estimated at \$100. The car was driven \$150 to the Bambler and \$200 to the Ford. The mishap was investigated by state and county officers.

Wendell Reports Two Rural Fires

WENDELL, Feb. 14—The Wendell fire department was called out twice within four hours Tuesday.

The first call at 10:40 a.m. was for a small fire, origin unknown, on the Leonard Fleming home, six miles south of Wendell on Hwy. 14. The second call at 1:35 p.m. was for a small fire, origin unknown, on the Leonard Fleming home, six miles south of Wendell on Hwy. 14.

The fire was far advanced when the department arrived and 30 tons of hay, valued at \$600, were destroyed. At 2:35 p.m. the fire chief was in charge. At 2:35 p.m. the department was called to the Kaini, one-half mile west, when a trash fire got out of control. No damage was reported. The firemen returned in less than one-half hour.

Sun Valley's BPW Has Talk at Meet

SALEM, Feb. 14.—Ralph Clark was guest speaker at the annual meeting of the National Business and Professional Women's club. Many members at the Alpine dining room in Sun Valley were present.

She was introduced by Mrs. Freda Pover, program chairman. In her talk on "Women's Social Privileges," she said of the "privileged few" who "do not enjoy" by only a few, and the "unlucky" who "sacrificed privilege" in the "talked about" which can be enjoyed by all who care to take advantage of them.

"The door is before you," she said. "All you need do is open it in order to find where position or privilege are unlimited."

She also admitted to all professionals this year, the first time ever to be admitted to the school of law, was enrolled at the University of Utah.

She introduced was Mrs. Carl Brooks who told of "What's New" concerning Abraham Lincoln.

The Boyd Ellis was the guest of Mrs. Aquilla Cutler.

Lucie Friedman, club president, announced her committee for the annual meeting of the club, to be held at Sun Valley May 5, with Mrs. Fred Allen as general chairman.

She complimented Mrs. Ward Beck, club member, as a "calling committee" for the March 11 meeting which will be held at the Star Inn in Hailey.

Mrs. Theodore Trovbridges and his wife, who came to find a meeting place for the April meeting. The white elephant was won by Mrs. Keith Bird.

TEACHERS AT WENDELL

WENDELL, Feb. 14.—Mary Lou Miller, senior at the University of Idaho, is student teaching under the supervision of Mrs. Ruth Odell, fifth grade teacher. Due to weeks, Miss Taylor is staying with her mother, Mrs. Ned Taylor.

Law Enforcement Officers, from left, Twin Falls county Sheriff James Benham, State Police Lieut. M. J. Bays Jr. and Twin Falls Police Chief Frank Barnett met at a luncheon Tuesday at the Rogerson hotel Roundup room with National Crime Prevention week, Feb. 16-21.

Malaya Asks More Troops For Security

KUALA LUMPUR, Malaya, Feb. 14 (UPI)—The Malayan government yesterday announced immediate steps to expand its armed forces and to increase its military power in the face of Indonesian toward the proposed federation of greater Malaya.

Defense Minister Tan Abdul Hamid said the Indonesian government's decision to implement the Indonesian policy of "confrontation" constitutes a threat to Malayan security.

Hasak said, "As a result of the confrontation policy adopted by Indonesia towards Malaya and its Malayan attitude towards the Indonesian, the Malayan government considered it constituted a threat to the country's security."

Indonesia, has denounced the federation as a "calling card" to maintain dominance of Northern Borneo. The Malayan federation is scheduled for creation this year, but the date has not been set. The proposed federation of greater Malaya.

The exact meaning of the Indonesian confrontation policy, announced last month, has not been made clear by the Indonesian government.

on Tuesday at the Rogerson hotel Roundup room with National Crime Prevention week, Feb. 16-21.

Girl Walkers Would Do It Again—Ugh!

KUALA LUMPUR, Feb. 14 (UPI)—The congressional secretaries who plodded miles from dawn to dusk to prove there's "no place like home" will return to provide special inspirational music for the closing night services, Friday evening.

"We're happy we're proud, and we feel great," said Shira Green, 25, New York, secretary to Rep. Charles B. Johnson, D. N. J. But they weren't dancing any more. And they all repeated any words on the hill say they would do it again.

"Who knows—I might make it the next time," said Mary McCaslin, 20, Washington, a secretary to Rep. Cornelius E. Gallagher, D. N. J. "I'm not afraid."

They were dancing any more. And they all repeated any words on the hill say they would do it again.

Nobody was complaining of blisters. The only casualty was a cut on the hand of Rep. Cornelius E. Gallagher, D. N. J.

But they weren't dancing any more. And they all repeated any words on the hill say they would do it again.

California Pastor Will Speak At Buhl Evangelistic Series

BOULDER, Colo., Feb. 14.—The Rev. Jerald Traeger, of the First Baptist church, San Anselmo, Calif., will be the featured speaker for the series of evangelistic meetings to be held at the Buhl First Baptist church Sunday through Feb. 22, announced the Rev. Robert Burchell, pastor of the local church.

The Rev. Mr. Traeger will open the series with a sermon on the message during the 11 a.m. worship service Sunday. He will conduct slightly services beginning at 2 p.m. Sunday through Friday.

Theme for the week will be "Renewal of the Church." Special music also will be presented during the services. The Sunday services will feature the junior and adult choirs under the direction of Mrs. John W. Wilson, will present special selections and music for the services. The services will be conducted by the Paul Kennedy family, Castleford.

Other special music to be presented will include the theme of the mixed choir of the Assembly of God church under the direction of Mrs. Sheldon Shagel, Monroe, Wash., guest of Mr. and Mrs. Russel Burchell, Buhl.

Wednesday evening: R. Stan Owens, director of music at the junior high school, and for the "Praise the Lord" church, in Twisp, Wash. Wednesday evening, a girl trio composed of Angela Wells, Dale McDonald, and Nancy Wells, will return to provide special inspirational music for the closing night services, Friday evening.

The Rev. Mr. Traeger is a graduate of the California Baptist Theological seminary, Co.

He served four years as pastor of the Manchester Baptist church, and for the past five years served the church at San Anselmo. He is presently serving as chairman of the camp Repent union of San Francisco Bay cities and is a member of the division of world mission support for northern California.

The Rev. Mr. Traeger will be accompanied by his wife, and family and during their stay here will be the houseguests of the Rev. and Mrs. Robert Burchell.

It was decided to grave the pastor in front of the high school building.

Bond money for the new construction received to date will be reinvested in short time government bonds, a portion of which, it is expected, will be invested in bonds for a 60 and 90 day period.

A report was read from Mrs. Harold Maya, consulting engineer for coal companies introduced by Clyde Petersen, discussed the construction facilities for the new construction.

Charles Johnson, Payette, architect, and the trustees announced that the new construction for the new school building will begin in early spring.

Warren Rollings, insurance representative, introduced by Clyde Petersen, discussed fire insurance rates for the new construction.

Harold Maya, consulting engineer for coal companies introduced by Clyde Petersen, discussed the construction facilities for the new construction.

Uproar Seen Over Plan to Aid Cubans

UNITED NATIONS, N. Y., Feb. 14 (UPI)—American observers expect the U. S. congressional delegation to the United Nations to spend a week in an agricultural review of Cuba, a spokesman said yesterday.

U. S. government sources are continuing to reply to the United States' offer to contribute to the United Nations as a cold war weapon.

Despite U. S. government promises, the U. S. special fund announced yesterday that it will start a delayed flight project at McCarran International Airport, Las Vegas in three months, as soon as foreign credit is available.

Gen. D. Hoffman, an American manager of the Soviet-owned and operated hydroelectric power plant at the Dzhurinsk hydroelectric power plant, said that although the United States has not yet paid its share of the organization's total cost, "we will not use one American dollar" on the plant project.

U. S. government sources said yesterday that they understand demands from the Soviet Union for payment of the

U. S. contribution to the

U. S. government sources

said that the United States will carry out the project and would be paid in

U. S. currency.

Despite the officials of the U. S. delegation's insistence that the negotiations are particularly because of the current dispute between the United States and the Soviet Union, the American delegation sources noted that the American contribution to the fund must be approved by the United States.

Four years the United States has given \$2 million dollars of its \$1 million annual budget to the aid—spending on \$20 aid projects. The countries receiving the aid have added \$42 million.

Trucks Collide

A panel truck driven by Orville Miller, 24, of Duluth, Minn., and a Volkswagen pickup truck driven by George W. Trappe, 21, route 1, Jerome, collided at 11:30 p.m. Wednesday on Blue Lakes boulevard north.

The panel truck, an International, was damaged on the right side and the Volkswagen on the right front wheel. The driver of the panel truck was damaged. Twin Falls police cited Trappe for proper passing.

Get Going

KANSAS CITY, Mo., Feb. 14 (UPI)—A 10-year-old boy was buried in a black box at his elbow. It has switches and signal lights. He flips a switch to alarm the police and another to open the door.

Another switch starts the engine of his wife's car.

A few minutes later, have

been 24, flipped two more switches and the car heater goes on.

"I didn't like sitting out in the cold waiting for the engine to warm up and then having to get out to the heater to produce heat," Hassenhill explains. "So I went to work on this system several months ago."

He is an engineer at an

electronics plant.

SP Walkout Depends on Telephone

SAN FRANCISCO, Feb. 14 (UPI)—A transcontinental telephone call could determine whether dissident miners will return to work in the San Joaquin Valley by Saturday.

William S. McGovern, international vice president of the International Union of Mine, Mill and Smelter Workers, said after Wednesday's unproductive negotiations that he would call International President George Harrison in Miami, Fla., today to decide the situation.

"I think it's more than possible, it's probable," he said. "That's the reason previously had tried to clamp down on local union officials who have been setting strike deadlines since Feb. 4."

"I'm not too pleased with where the situation exists now," said McGovern yesterday. "We're getting down to where some of the miners are doing GP clerks unit chairman James Weaver, the leading strike advocate, has called for a walkout no later than Saturday. Some of his members are demanding action in the five-year battle over job security.

He, however, must give the miners the chance before the clerks can strike.

A walkout would idle 11,000 miners and 39,000 members of 21 other rail unions in seven western states.

Buried Well-Digger Pulled Free After Night of Toil

LAKE TOMAHAWK, Wis., Feb. 14 (UPI)—A well digger buried up to his shoulders in shifting sand since mid-afternoon Wednesday was freed free early today and appeared to be in good condition.

Dr. Charles H. White said at the hospital in Neillsville, despite protests that he was all right.

Dr. White was given the last rites by the Rev. Jerome Trantow at nightfall. The priest maintained his son as the "best kind of pit dog ever seen."

As one sand slide after another frustrated rescuers, Father Trantow shouted down, "I've got you, Rosary going pretty good up there."

"And I've got it going pretty hot down here," replied Pink from inside a metal culvert.

Pink walked away from the pit worked side-by-side through the night with just slight help. He was

in good condition.

He was buried in a cave-in of sand near this northern Wisconsin community.

"I'm all right," Pink said as he emerged from the hole.

MARKETS AND FINANCE

Stocks

NEW YORK, Feb. 14 (UPI)—News has the Kennedy administration has set a record in its battle for tax reform, though the stock market has recovered in the final hour of the day.

Just as it seemed the market had broken through to a new level after a year of gains and intra-day high, the market again fell back from their record levels. The market is expected to produce a late tap in the final hour.

A variety of issues remained higher in the close, but only gains in the popular averages were significant.

Gold held most of the gains helped by news that the Federal Reserve will keep its monetary policies unchanged. Autos were up, with Chrysler down on news of a slight drop in auto production schedules that week.

Dr. Paul and Kodak remained up and so did the chemical and ailing with the market.

Auto, Ford, American, Texaco, and Steel. These blue chips were more than cancelled out by the day's losses.

A bond buying share held

gold fractions to around

the \$100 mark. It was suggested that the

gold of the market had fallen into the hands of investors

in a higher remedy sales.

Electronics were narrowly in plus column in most markets, but

Tele. Instruments and Raytheon stayed well

out of the pack with sizeable

gains. Alcoa followed

strong in Current market

and in the initial rocket contract

United Aircrafts.

Barat and Leah shares began

showing up in the session, paced

by the Federal and First

Bank. Steel, roofing, and

other issues were

up and down, and

stocks of a tender

or 20,000 shares at 21/2

late, Lilly, Hall, and Pandemic

and Pacific, Allegheny

National Cash and Elec-

tronic Associates were notably

up.

Stock Averages

NEW YORK, Feb. 14 (UPI)—Down

for the second consecutive

day, the market closed

2 1/2 points lower at 2,335

on New York Stock Exchange.

On the American, 14 up 1/2

and 14 down 1/2
